

**UNITED STATES DISTRICT COURT
SOUTHERN DISTRICT OF OHIO
EASTERN DIVISION**

Darrell E. Lee,

Plaintiff,

v.

Case No. 2:18-cv-109

Commissioner of Social Security,

Judge Michael H. Watson

Defendant.

Magistrate Judge Vascura

OPINION AND ORDER

On November 14, 2018, United States Magistrate Judge Vascura issued a Report and Recommendation ("R&R") recommending that the Court reverse the Commissioner of Social Security's ("Commissioner") non-disability finding and remand this case to the Commissioner and the ALJ under Sentence Four of § 405(g). ECF No. 16.

The R&R notified the parties of their right to file objections to the R&R pursuant to 28 U.S.C. § 636(b)(1). R&R 10, ECF No. 16. The R&R further advised the parties that the failure to object to the R&R within fourteen days would result in a waiver of the right to *de novo* review by the District Judge and waiver of the right to appeal the decision of the District Court adopting the R&R. *Id.* The deadline for filing such objections has passed, and no objections were filed.

Having received no objections, the R&R is **ADOPTED**. Plaintiff's statement of errors is **SUSTAINED** and the Commissioner's decision is

REVERSED. This case is **REMANDED** to the Commissioner and the ALJ under Sentence Four of § 405(g) for further consideration consistent with the R&R.

IT IS SO ORDERED.

MICHAEL H. WATSON, JUDGE
